Sir

In reply to your letter No 1012 dated 22nd inst, I have the honor to state that I wired to you this day as follows: "Your No 1012 shifting Base Lines urgent & necessary"

As plague has increased in virulence in that part of the town, the vacation of the Lines is considered indispensable.

I would propose the running up of a few sheds with Police Compound for a separate number of men being kept to guard the Treasury.

No 1077

Bangalore 28th November 1899.

To

The Deputy Commissioner
Kolar District

Sir

In reply to your letter No 1850/1500 of the 24th inst & yr confirmation of this office letter No 1072 of the 27th idem, I have the honor to state that a few sheds for the men on guard at the P. Stg magazine be constructed in the compound as suggested by you in the letter quoted above.

The number of sheds for the Sherpurs of the detachment depends upon the actual number present at P. Stn quarters. If a sepoy has family one shed might be given to him, if a bachelor, one shed might hold 2 or 3 if they are of the same caste. Particulars regarding the number of sheds will be furnished by the Officer Commanding the detachment. The Commanding officer of the Regt has also been asked to send down to Kolar for a couple of days to help you in this respect.

The men at Kolar complain that the site selected for their camp by the Vice President of the Municipality is

is very insanitary and ~~covered~~ close to manure pits & heaps of rubbish & the Command that the adjacent ground is also used as a burial ground. If this be so, request you to kindly change it to a better site.

The Commanding officer at Bangalore says that there is a very good maidan near Hunnoor to the north of which would suit them well.

The menials complain that they were told that they would get an advance of Rs 5/- each to be deducted from their pay, to enable them to buy material for sheds & that they were asked to build the sheds themselves. As the men are poorly paid, Govt will be asked to meet the cost of sheds as it did at Bangalore & Lucknow.

If Rs 5/- could buy materials for a fair sized shed, this amount will be enough for each; if not the amount might be increased a little in the estimate (asked for in my previous letter) so as to make them fairly comfortable. Of course the men should try and put up the sheds themselves.

themselves when materials are given to them & the Officer Commanding the detachment will be asked to arrange for this.
